

URULIAN 2010

In 1985, we were sent off as bona fide *Atenistas*. Twenty-five years later, we go home, still proudly carrying the Ateneo seal, the Ateneo soul.

The Urulian logo uses salient elements of how we remember the school: from the colors blue and gold to the majestic four pillars, all of which radiate the Ateneo de Naga spirit.

The theme of Urulian is reflected by two cyclical arrows: symbolizing our two-pronged goal. We're *going back*, so we can *give back*, in heartfelt gratitude to our Alma Mater.
